PROPOSED DRAFT PROCEDURAL AND TECHNICAL SAFEGUARDS FOR DEACTIVATION AND RECYCLING OF INACTIVE TELECOMMUNICATION NUMBERING RESOURCES

The Communications Authority of Kenya (CA) is the regulatory agency for information and communications in Kenya with responsibilities in telecommunications, cyber security, e-commerce, broadcasting and postal/courier services. The CA is also responsible for managing the country's numbering and frequency spectrum resources, administering the Universal Service Fund (USF) as well as safeguarding the interests of consumers of ICT services.

In a bid to effectively manage the country's numbering resources, and safeguard the rights and interests of ICT service consumers assigned numbering resources, the Authority has developed draft procedural and technical safeguards for deactivation and recycling of inactive mobile numbers.

Members of the public are invited to submit their memoranda on the draft guidelines by **September 11th, 2026**. Submissions should be made via email address: numbering@ca.go.ke.

The draft procedures and technical safeguards as well as the submission format are available on the Authority's website at : <https://www.ca.go.ke/open-consultations>.
